VII. VERTIGO ACADEMY INTERNATIONAL

INVITATION

Vertigo Academy International Meetings are scientific and educational meetings organized under the auspices of the **International Vestibular Society**. Its academic programs and learning objectives provide outstanding opportunities for fellows and healthcare professionals interested in vestibular science and related disciplines.

Following six successful meetings held in Turkiye, Russia, India, Belarus, Serbia, and Hungary, **the VII Vertigo Academy International Meeting** will be held in **Athens, Greece**.

The scientific impact of this meeting is expected to be substantial, as many internationally renowned experts in the field will participate as faculty members. The scientific program has been carefully designed to match and surpass the high standards established by previous VAI meetings, offering participants an exceptional educational and professional experience. Vestibular Implant–related technologies will once again be featured as an important component of the scientific program, continuing the tradition of previous meetings.

A series of instructional courses will be organized on the day preceding the main meeting, providing participants with a unique opportunity to interact directly with leaders in vestibular science and clinical practice.

Participants will also be invited to submit their own scientific presentations. Selected presentations will have the opportunity to compete for prestigious awards.

We look forward to welcoming you to Athens for this exciting scientific event.

Prof. Osman Nuri ÖZGİRGİN, M.D.

VII. VAI MEETING INFORMATION

Vertigo Academy International Meetings is a Scientific Organization of International Vestibular Society. It is academic program and learning objectives offer substantial opportunities to the fellows interested in the topic. Following six successive meetings in Turkiye, Russia, India, Belarus, Serbia and Hungary the VII. Vertigo Academy International Meeting will be held in Greece.

I. Vertigo Academy International, 16-17 November 2013 – Antalya, Türkiye.
II. Vertigo Academy International, 22-23 May 2015 – Moscow, Russia.
III. Vertigo Academy International, 02-04 March 2017 – Mumbai, India.
IV. Vertigo Academy International, 25-28 April 2019 – Minsk, Belarus.
V. Vertigo Academy International, 09-11 March 2023 – Belgrade, Serbia.
VI. Vertigo Academy International, 03-06 April 2025 – Budapest, Hungary.

Meeting Dates: March 11-13, 2027.

Official Website: Please bookmark this website: www.vai2027.org
Primary importance will be given to the website, on every stage of preparation and operation of the meeting, including the scientific program, registration and accommodation.

Official Language: Official language of the meeting and of correspondence is English.

Certificate of Attendance: A certificate of attendance will be sent via e-mail after the meeting.

Important Dates:

Deadline for Online Abstract Submission	**December 18, 2026**

TOPICS

BASIC SCIENCE

- Otolithic system
- Gravity & balance
- Vestibular system and posture control
- High frequency versus low frequency patterns of Vestibular system

DIAGNOSTICS

- Vestibular Function: HIT & VHIT; FHIT
- Otolith Function: SVV, oVEMP,
- Balance: DVA, Dynamic Posturography
- Evaluation of Nystagmus remotely
- New vestibular tests and what is needed in vestibular system?
- Virtual reality
- Artificial Intelligence

ACUTE VESTIBULAR DISORDERS

- Acute vestibular syndrome
- Vestibular evaluation in ER
- Acute stroke syndromes
- Meniere's attack,
- Vestibular neuritis
- Acute labyrinthitis

PERIPHERAL VESTIBULAR DISORDERS

- Vestibulotoxicity
- Perilymph fistula
- Membranous or Hypermobile Stapes Footplate
- Clinical and molecular subtypes in Meniere's disease spectrum

MENIERE'S DISEASE

- Syncope and Tumarkin Attacks
- Comorbidities
- Bilateral disease
- Vestibular Schwannoma

BPPV

- Canal based occurrences
- Atypical cases: Multicanal, Canalith jam, Light cupula
- Downbeating nystagmus
- Residual dizziness

CENTRAL DISORDERS

- When the ear and brain overlap
- Vestibular Migraine
- PPPD
- Sea sickness and mal de barquement disease

PHOBIC VERTIGO

- Vestibular dysfunction in neurodegenerative disorders
- Central vestibular disorders:
- Central positional nystagmus: mechanisms and differential diagnosis
- Brainstem & cerebellar vestibular syndromes
- Ocular motor syndromes in vertigo patients

IN CHILDREN

- Vestibular Disorders in Children.
- Vestibular function in children with cochleo-vestibular malformations
- Cochlear implantation and vestibular interaction

TRAUMA

- Vestibular injuries
- Post traumatic BPPV

MANAGEMENT

- Intratympanic treatments
- Medical treatment
- Betahistine & selegiline
- Vestibular Suppressants
- Bilateral disease
- Surgical treatment
- Vestibular rehabilitation
- Personalized vestibular rehabilitation: protocols and predictors
- Role of neuromodulation in vestibular rehab
- Virtual Reality

ONLINE ABSTRACT SUBMISSION INFORMATION

scienceNEXT

For online abstract submission, please visit the "ScienceNext" Online Abstract Submission System section in the official web page of the Meeting.

Online Abstract Submission System for Oral and Posters

• Detailed information is provided in the system.
If assistance needed, please send an e-mail to vertigo@serenas.com.tr

• Please carefully read the instructions before submitting your abstract through the online submission module "**ScienceNext**" system.

• Once you sign up, you can also continue working on abstract until you finally decide to submit before the deadline.

• This is an automated system that will allow you to put the information online for the authors, affiliations, abstract text (if required with special characters etc.) and keywords in a series of different windows.

• You can track the whole submission and evaluation procedure either within the system or by e-mail notification.

• In case of submitting more than one abstract you can use the same login and password for each abstract via online submission module.

Instructions for Online Poster and Oral Presentations

- All Abstracts should be submitted in English only.

- Abstracts submitted by e-mail, fax or post will NOT be accepted.

- The abstracts have to be structured as follows:

Introduction (Background & Aim): Hypothesis

Material & Methods (or Case study): Study design, Subjects, Setting, Intervention(s), Outcome measurement(s), Independent variables, Analyses

Results: Main outcome(s) of the study, including confidence levels or p values

Conclusions: Supported by the results, both positive and negative.

- The abstracts for oral and poster presentations should be submitted until **December 18, 2026.**

- All submitted abstracts will be reviewed by the Scientific Committee. The abstracts scheduled for oral presentations will be announced on **January 8, 2027.** The rest will be displayed as posters.

- The Scientific Committee will select the first five to be presented in Prize session.

- These finalists will present their studies to the Jury during the prize session and the winner will be awarded with "**IVS Prize Certificate**" and 1.000 EUR.

- A certificate will be delivered to all finalist presentations.

All accepted abstracts presenters must be registered for the congress

For the meeting registration, please visit the online registration and accommodation system section in the meeting official web page.
If not, their presentation will not be allowed in the meeting scientific program and not printed in the Program and Abstract Book.

Poster Presentation Guidelines

The posters will be 50 cm (width) and 70 cm (height) and will be mounted vertically. (Double-sided tape will be available for mounting the Posters)

Graphics and digital photos should be at least 100-150 dpi in their final.

VAI PRIZE SESSION

The best study will be elected among the prize submissions (made by the authors below 40 years old.) (by March 11, 2027) will be awarded with **"IVS Prize"** 5 finalists will be selected among the prize submissions.

These finalists will present their studies to the Jury during the prize session and the winner will be awarded with **"IVS Prize Certificate"** and **1.000 EUR.**

The Abstracts for oral and poster presentations should be submitted until **December 18, 2026**. This date will NOT be postponed.

* Prize candidates must declare their age is below 40 (the presenter).

March 11-13, 2027 • Divani Caravel Hotel, Athens, Greece

ABOUT ATHENS, GREECE

Greece, located in southeastern Europe at the crossroads of Europe, Asia, and Africa, is a country celebrated for its ancient history, rich cultural heritage, and breathtaking landscapes. From the historic city of Athens, the capital of Greece and one of the world's oldest cities, to the picturesque Greek islands scattered across the Aegean and Ionian Seas, Greece offers a remarkable diversity of experiences for visitors.

Historically, Greece is widely regarded as the cradle of Western civilization and democracy. The country's legacy is reflected in its extraordinary archaeological sites, including the Acropolis of Athens, home to the iconic Parthenon, which has stood for over two millennia overlooking the city. Ancient philosophers such as Socrates, Plato, and Aristotle shaped the foundations of philosophy, science, and political thought, leaving a lasting influence on the world.

Greek culture continues to thrive through its traditions, festivals, music, and art. Visitors can explore vibrant neighborhoods, world-class museums, and historic monuments while experiencing the famous Greek hospitality known as philoxenia. Greek cuisine is also a highlight, featuring dishes such as moussaka, souvlaki, fresh seafood, olives, and world-renowned Mediterranean flavors.

Nature lovers are drawn to Greece's diverse landscapes, which include sun-drenched islands, rugged mountains, and crystal-clear seas. From the white-washed villages of the Cyclades to the dramatic cliffs of Santorini and the lush mountains of northern Greece, the country offers endless opportunities for exploration and relaxation.

Today, Greece is a member of the European Union and plays an important role in regional politics, tourism, and culture. With its unique blend of ancient history, vibrant city life, and stunning natural beauty, Greece remains one of the most fascinating destinations in Europe.

Top Attractions in Athens

Acropolis and Parthenon:

One of the most famous ancient landmarks in the world, the Acropolis dominates the skyline of Athens and is home to the Parthenon, a masterpiece of classical Greek architecture.

Acropolis Museum:

A modern museum showcasing priceless artifacts and sculptures discovered at the Acropolis archaeological site.

Plaka District:

The historic neighborhood at the foot of the Acropolis, known for its narrow streets, traditional tavernas, and charming shops.

Syntagma Square and the Hellenic Parliament:

The central square of Athens, where visitors can watch the ceremonial changing of the guard in front of the Parliament building.

Temple of Olympian Zeus:

One of the largest temples of the ancient world, dedicated to Zeus, the king of the Greek gods.

HISTORY AND CULTURE IN ATHENS

Athens, the historic capital of Greece, stands as one of the most influential cities in the history of Western civilization. Located in southeastern Europe and surrounded by ancient monuments and modern urban life, Athens has been a center of culture, philosophy, and political thought for more than three thousand years.

The history of Athens dates back to ancient times, when it emerged as one of the most powerful city-states of classical Greece. During the 5th century BC, often referred to as the Golden Age of Athens, the city flourished under the leadership of Pericles. This period witnessed the construction of magnificent structures such as the Acropolis and the Parthenon, symbols of ancient Greek architecture and artistic achievement.

Athens is widely recognized as the birthplace of democracy, where citizens first participated directly in political decision-making. It was also the home of some of the most influential philosophers in history, including Socrates, Plato, and Aristotle, whose ideas continue to shape philosophy, science, and political thought around the world.

Throughout its long history, Athens experienced Roman, Byzantine, and Ottoman rule, each leaving its mark on the city's architecture and culture. Following Greece's independence in the 19th century, Athens became the capital of the modern Greek state and developed into a vibrant cultural and political center.

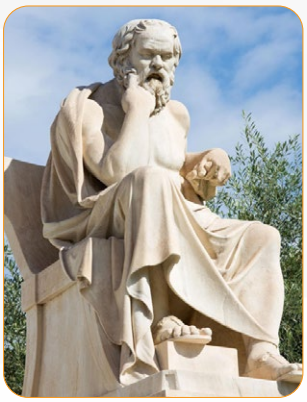

Famous People from Greece

Hippocrates

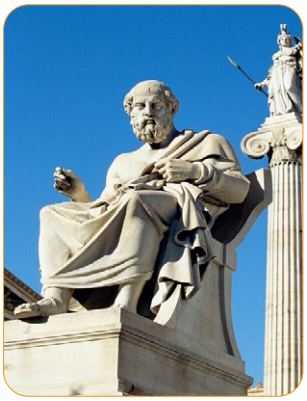

Often referred to as the Father of Medicine, Hippocrates laid the foundations of modern medical practice and medical ethics. The famous Hippocratic Oath, still relevant today, is named after him and continues to influence medical professionals worldwide.

VII. VERTIGO ACADEMY INTERNATIONAL

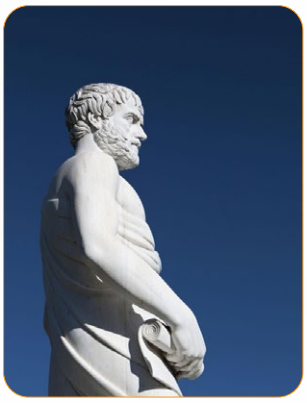

Socrates

Socrates is considered one of the founders of Western philosophy. His method of questioning and dialogue, known as the Socratic Method, has influenced philosophy, education, and critical thinking for centuries.

Plato

A student of Socrates and teacher of Aristotle, Plato founded the Academy in Athens, one of the earliest institutions of higher learning in the Western world.

Aristotle

Aristotle, a student of Plato and teacher of Alexander the Great, made groundbreaking contributions to philosophy, science, ethics, and politics. His works shaped Western intellectual thought for more than two thousand years.

Mikis Theodorakis

Mikis Theodorakis was one of Greece's most influential composers and cultural figures. He is internationally known for composing the music for the film "Zorba the Greek." His work combines classical music with Greek folk traditions and has become an important symbol of Greek culture.
